Installation of the Bus Terminal Rococo Cafe

The Social Welfare Council has established the Rococo Cafe, a community salon that also serves as a bus terminal (waiting area). This location is the departure and arrival point for general use of the school bus.
We offer complimentary tea and other beverages, making it a welcoming community space for everyone—even those not using the bus.

Ai-bus Signposts☆

Additional vehicles will be dispatched once the vehicle reaches full capacity during single-vehicle operation.
